

AFTER SCHOOL PROGRAM

Deshler Public Schools offers an After School Program which provides a safe, structured study environment for kindergarten through sixth grade students. The premise behind this program is to provide students an alternative learning environment that will benefit students' academic achievement. After School Program registration forms are sent home monthly or may be obtained at Deshler Public Schools' webpage at <http://www.deshlerpublicschools.org>. Parents or guardians must register their child or children one week in advance.

1. Days: Monday through Thursdays.
2. Hours: 3:45 to 5:00 p.m. Parents may pick-up their child or children after 4:30 p.m.
3. There will be at least one certified teacher supervising and providing instruction.
4. Students may be assigned to attend the After School Program if they are having academic difficulty in their classes or have excessive tardiness or absences.
